TREATMENT PROTOCOLS

Pomegranate Wine Cooler Treatment

(RED WINE THERAPY)

TREATMENT TIME: 50-60 mins.

APPROXIMATE COST PER TREATMENT: \$4.75

SKIN TYPES: All skin types, sensitive skin, rosacea, acne

Refresh and rehydrate your skin with a unique blend of Red Wine Therapy! An almost edible, exfoliant blend of natural fruit enzymes, cherry puree, pomegranates and red wine saturate skin in a healthy cocktail of antioxidants. Increase the vitality of skin with this skin strengthening and smoothing treatment for a more revitalized and rejuvenated complexion.

1. **CLEANSE:** Cleanse skin with **Lemon Chiffon Cleanser**, about a quarter size, and remove with warm towels or cotton pads.
2. **EXFOLIATE:** Gently exfoliate skin with **Crushed Grape Seed Scrub**. Work into the skin in a circular motion, remove. For sensitive skin types, mix scrub with cleanser.
3. **OPTIONAL BOOSTER:** Apply 1-2 pumps of **Cherry Wine Face Smoothie**, avoiding eye area, working into skin with circular motions. Leave on for more intense results. For sensitive skin, omit this step.
4. **PEEL:** Apply ½ - 1 tsp of **Pomegranate Acai Wine Peel + Date Seed** to skin with fingers, avoiding eye area. At this time, a light micro-massage (refer to 7-Step Micro Massage Chart) may be done while the peel is on. Leave on for 3-10 mins. Remove with cool water using cotton pads or towels. Refer to product data sheets for complete application instructions.
5. **MASQUE:** Apply an even layer of **Hydrating Cranberry Masque** and leave on skin for 3-10 minutes. Remove masque gently with warm towels or facial sponges.
6. **TONE:** Spritz skin with a few pumps of **Red Wine Spritzer**, or spritz a few pumps directly onto hands and pat gently into skin.
7. **TARGET SERUMS:** Individually apply or cocktail your choice of the following serums to customize treatment:
 - Red Wine Re-Vital Serum w/ Stem Cells & Dynalift®
 - Vital C Serum w/ Ellagi-C & Resveratrol Concentrate
 - Firming Red Wine Serum (last serum to be applied to face and neck, this product is also a make-up primer)
8. **MOISTURIZE:** Apply a small amount of **Red Wine Blueberry Pumpkin Age Defying Cream** to the face and neck.
9. **EYES:** Apply a small amount of **Contouring and Soothing Eye Gel**, followed by a tiny drop of **Crystal Dew Drops** for a more intense treatment.
10. **LIPS:** Apply a tiny drop of **Crystal Dew Drops** onto lips, gently working into the lip area.

Winter Fit Skin Treatment

Wine & Chocolate...Valentine's Day

TREATMENT TIME: 60-80 mins.

APPROXIMATE COST PER TREATMENT: \$4.50-\$6.37

SKIN TYPES: All skin types, anti-aging, mature, dry and sensitive

During the winter months, skin struggles to retain water in the dermis layer, resulting in premature aging and fine lines. Our Winter Fit Skin Facial will restore skin's hydration and seal in moisture, protecting skin during the harsh winter season. A red wine peel will remove dull, dead skin cells to allow skin to better absorb topically applied nutrients. This antioxidant vinotherapy treatment will leave skin noticeably softer, smoother and more supple!

1. **CLEANSE:** Cleanse skin with a quarter-size amount of **Lemon Chiffon Cleanser**, mixed with **Crushed Grape Seed Scrub**. Work into skin with circular motions, remove with warm towel.
2. **OPTIONAL BOOSTER:** Apply 1-2 pumps of **Cherry Wine Face Smoothie**, avoiding eye area, working into skin with circular motions. Leave on for more intense results. For sensitive skin, omit this step.
3. **PEEL:** Apply the most appropriate peel for your client to customize treatment. If client is contraindicated to a peel treatment, omit peel.
 - **Blueberry Wine Peel** (aging/mature/resilient skin)
 - **Pomegranate Acai Wine + Date Seed Peel** (sensitive/acne/aging)

Refer to product data sheets for application instructions. After applying peel to face, begin with a light micro-massage, leaving on up-to 10 minutes, or as appropriate for skin type and tolerance. Remove with cool water, using towels or cotton pads.

4. **PUMP UP THE HEAT:** Apply **Red Wine Concentrate w/ Noni**, and begin 7-Step Micro Massage Technique for 5-15 minutes, leave on. (This stimulating product produces positive heat that will stimulate the fibroblasts to produce collagen.)
5. **MASQUE:** Choose the most appropriate facial masque based on skin type, and apply an even layer to skin. Remove with warm water using 4x4's or towels.
 - **Cocoa Soufflé Masque**
 - **Hydrating Cranberry Masque**
6. **TONE:** Spritz skin with a few pumps of **Red Wine Spritzer**, or spritz a few pumps directly onto hands and pat gently into skin.
7. **TARGET SERUMS:** Apply individually or cocktail your choice of the following serums to customize treatment:
 - **Red Wine Re-Vital Serum w/ Stem Cells & Dynalift**
 - **Vital C Serum w/ Ellagi-C & Resveratrol Concentrate**
 - **Firming Red Wine Serum** (last serum to be applied to face and neck, also an excellent make-up primer)
